PUBLIC SERVICE BOARD

Docket No. 8561

Investigation pursuant to 30 V.S.A. §§ 30 and 209)
regarding the Construction and Operation of a)
Metereological Tower located in Swanton, Vermont)

PROCEDURAL ORDER RE: REQUEST FOR ENLARGEMENT OF TIME

On December 10, 2015, the Vermont Department of Public Service (the "Department") filed a request with the Vermont Public Service Board for an enlargement of time to respond to both the Respondent's Motion for Public Service Board Review of Hearing Officer's Order on Intervention and the Respondent's Motion for a More Definite and Detailed Statement on the Burden of Proof and Issues for Hearing, both filed on December 7, 2015. The Department represented that it had consulted with the other parties and there was no objection to an enlargement of time until January 15, 2016, to respond to both motions. I hereby grant the Department's request extending the deadline for responses to the Respondent's motions to January 15, 2016.

SO ORDERED.

Dated at Montpelier, Vermont, this 15th day of December, 2015.

s/Michael E. Tousley
Michael E. Tousley, Esq.
